Harbor Bay Parkway Signal Installation to Commence

Signal installation at Harbor Bay Parkway/North and South Loop Road and Harbor Bay Parkway/Penumbra Place and South Loop Road will start this month and is scheduled to be complete at the end of February 2020. The project includes the installation of a traffic signal cabinet and controller, service, signal poles, accessible pedestrian signal, video detection systems, battery backup system, and emergency vehicle preemption.

Construction work hours are Monday through Friday, from 8:00 am to 5:00 pm. During construction, motorists may experience minor disruptions in traffic, temporary loss of parking spaces, and noise and dust. Bus stop access will be maintained throughout the project.

The City appreciates your cooperation and patience during this construction. Questions or information about the project should be directed to Mr. Trung Nguyen, Project Manager, Public Works Department at 510-747-7900 or at tnguyen@alamedaca.gov
